We are located at 162 North Causeway in North Muskegon.

From US-31, take the exit toward North Muskegon and keep to the right to get on the Causeway. We are on the Causeway, just past Putter's Creek and Norm's Ice Cream and just before Community Shores Bank. If you reach the traffic light at Whitehall Road & M-120, you have gone too far!

Note: We do not recommend using GPS as it does not typically place our office in the correct location.

We look forward to seeing you soon!
